“

Since moving to Monkey Puzzle Bromley I have been incredibly happy! The support from the management team has always been really helpful with their time, suggestions and advice very much appreciated!

- Lauren

“

Since I joined I have grown in confidence, there have been lots of training opportunities and there have been high levels of support from the management team. I received a warm welcome from the team which helped me to settle very quickly.

- Georgie

“

Supporting my progression and promotion has been key to my Monkey Puzzle journey. I love the tokens of appreciation which go a long way in recognising my hard work. The additional annual leave helps support my well-being and gives me more time to have fun away from work engaging in my own interests.

- Paige

“

The nursery is a very friendly environment and it's like a big happy family. The teamwork is amazing and I have always felt very welcomed. There are a wide range of training courses which always provides me with a chance to learn new things.

- Katie
